Boston, MA (July 29, 2010)—NeuCo's Boston Headquarters is moving to the Government Center area of the city on August 2, 2010. The new office will be close to public transportation, Quincy Market, and the North End. Employees are excited to explore a new neighborhood, as the Boston headquarters has been located in the Back Bay for more than 10 years. This move was preceded by relocations of the company's Ohio Customer Center and Austin, Texas office. According to NeuCo's President & CEO Peter Kirk: "NeuCo's new offices in Ohio, Texas and now Boston are a great reflection of who we are as a company and are more visitor friendly. We look forward to any of our customers and partners coming to see us."
